Hi Bill,

I hope you're well! I'm going to be meeting with Superfund folks on March 25<sup>th</sup> around 1 PM. I wasn't sure if you and anyone else you'd want me to meet (Pam Swingle?) would be in the office that day, or the day before or after, but I'd be happy to meet, talk through ideas, present the same thing I'm sharing with Superfund folks (a DRAFT is attached), or anything you thought would be useful. Frank also mentioned getting a sense of how or if you all would want to use the contract in the future. Please let me know if connecting any time on or around the 25<sup>th</sup> would suit you!

Sincerely,  
Kristin
